

An Ancient Evil: Anti-Semitism in Persia

Esther 3:6, “But he disdained to lay hands on Mordecai alone, for they had told him of the people of Mordecai. Instead, Haman sought to destroy all the Jews who were throughout the whole kingdom of Ahasuerus—the people of Mordecai.

Esther 3:7, “In the first month, which is the month of Nisan, in the twelfth year of King Ahasuerus, they cast Pur (that is, the lot), before Haman to determine the day and the month, until it fell on the twelfth month, which is the month of Adar.”

Esther 3:13, “And the letters were sent by couriers into all the king’s provinces, to destroy, to kill, and to annihilate all the Jews, both young and old, little children and women, in one day, on the thirteenth day of the twelfth month, which is the month of Adar, and to plunder their possessions.”

Esther 4:14, “For if you remain completely silent at this time, relief and deliverance will arise for the Jews from another place, but you and your father’s house will perish. Yet who knows whether you have come to the kingdom for such a time as this?”

Esther 8:16, “The Jews had light and gladness, joy and honor.

Esther 8:17, “And in every province and city, wherever the king’s command and decree came, the Jews had joy and gladness, a feast and a holiday. Then many of the people of the land became Jews, because fear of the Jews fell upon them.”

Germany

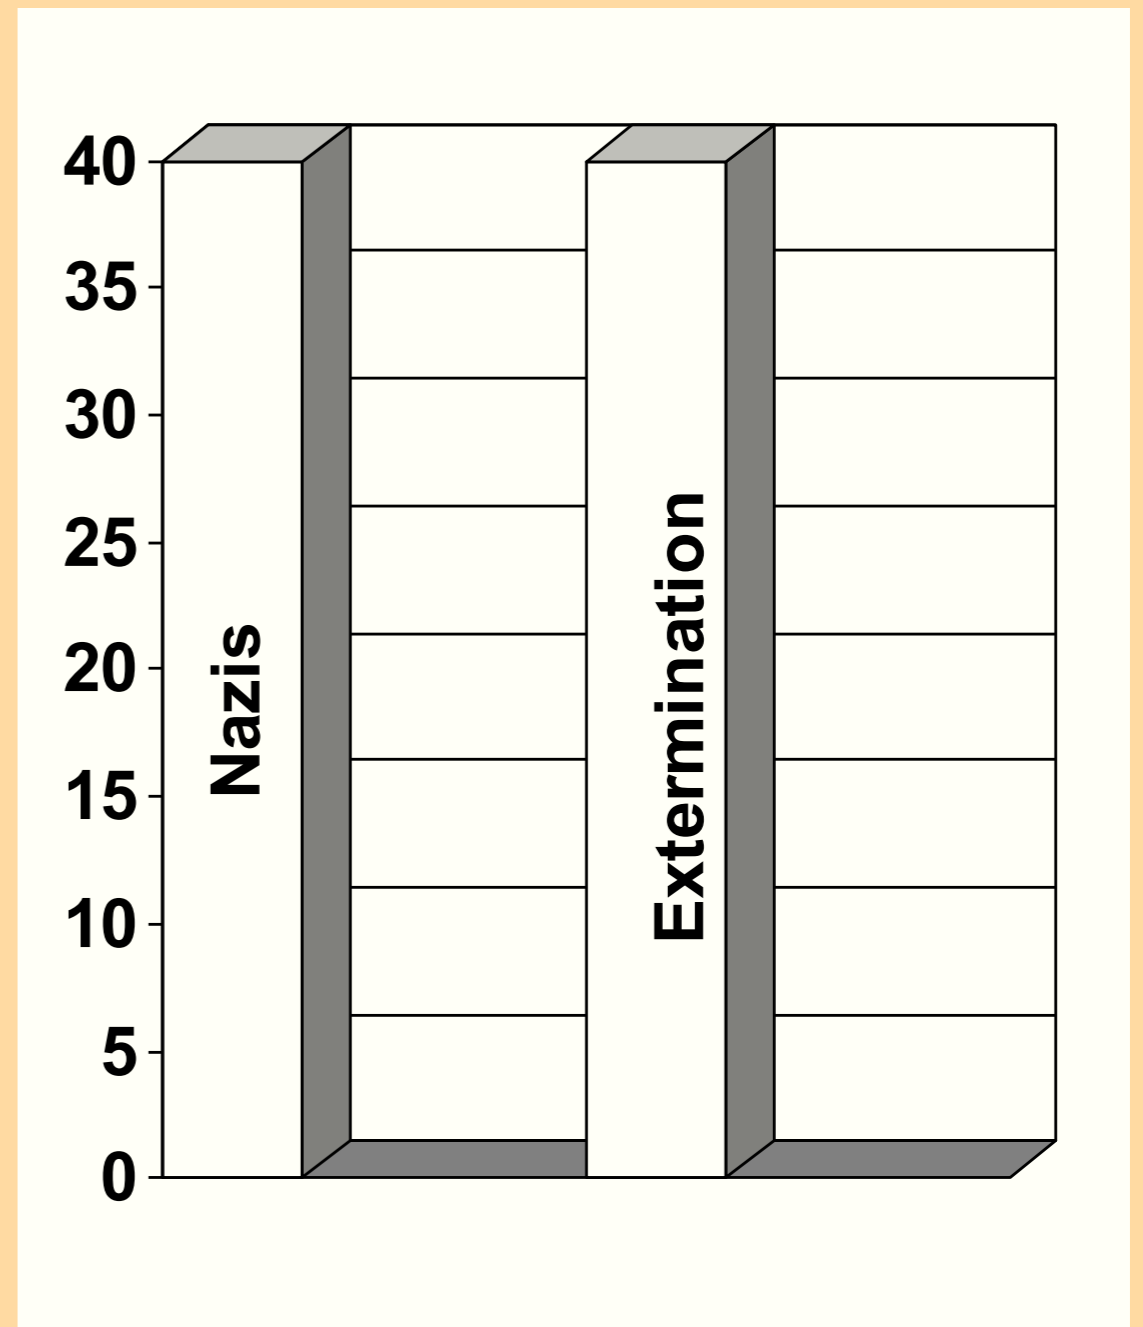

- A 2004 comprehensive poll, German University of Bielefeld reveals:
- More than 50% equating Israel's policies toward the Palestinians with Nazi treatment of the Jews
- 68% specifically believe that Israel is waging a “war of extermination” against the Palestinian People.

Italy

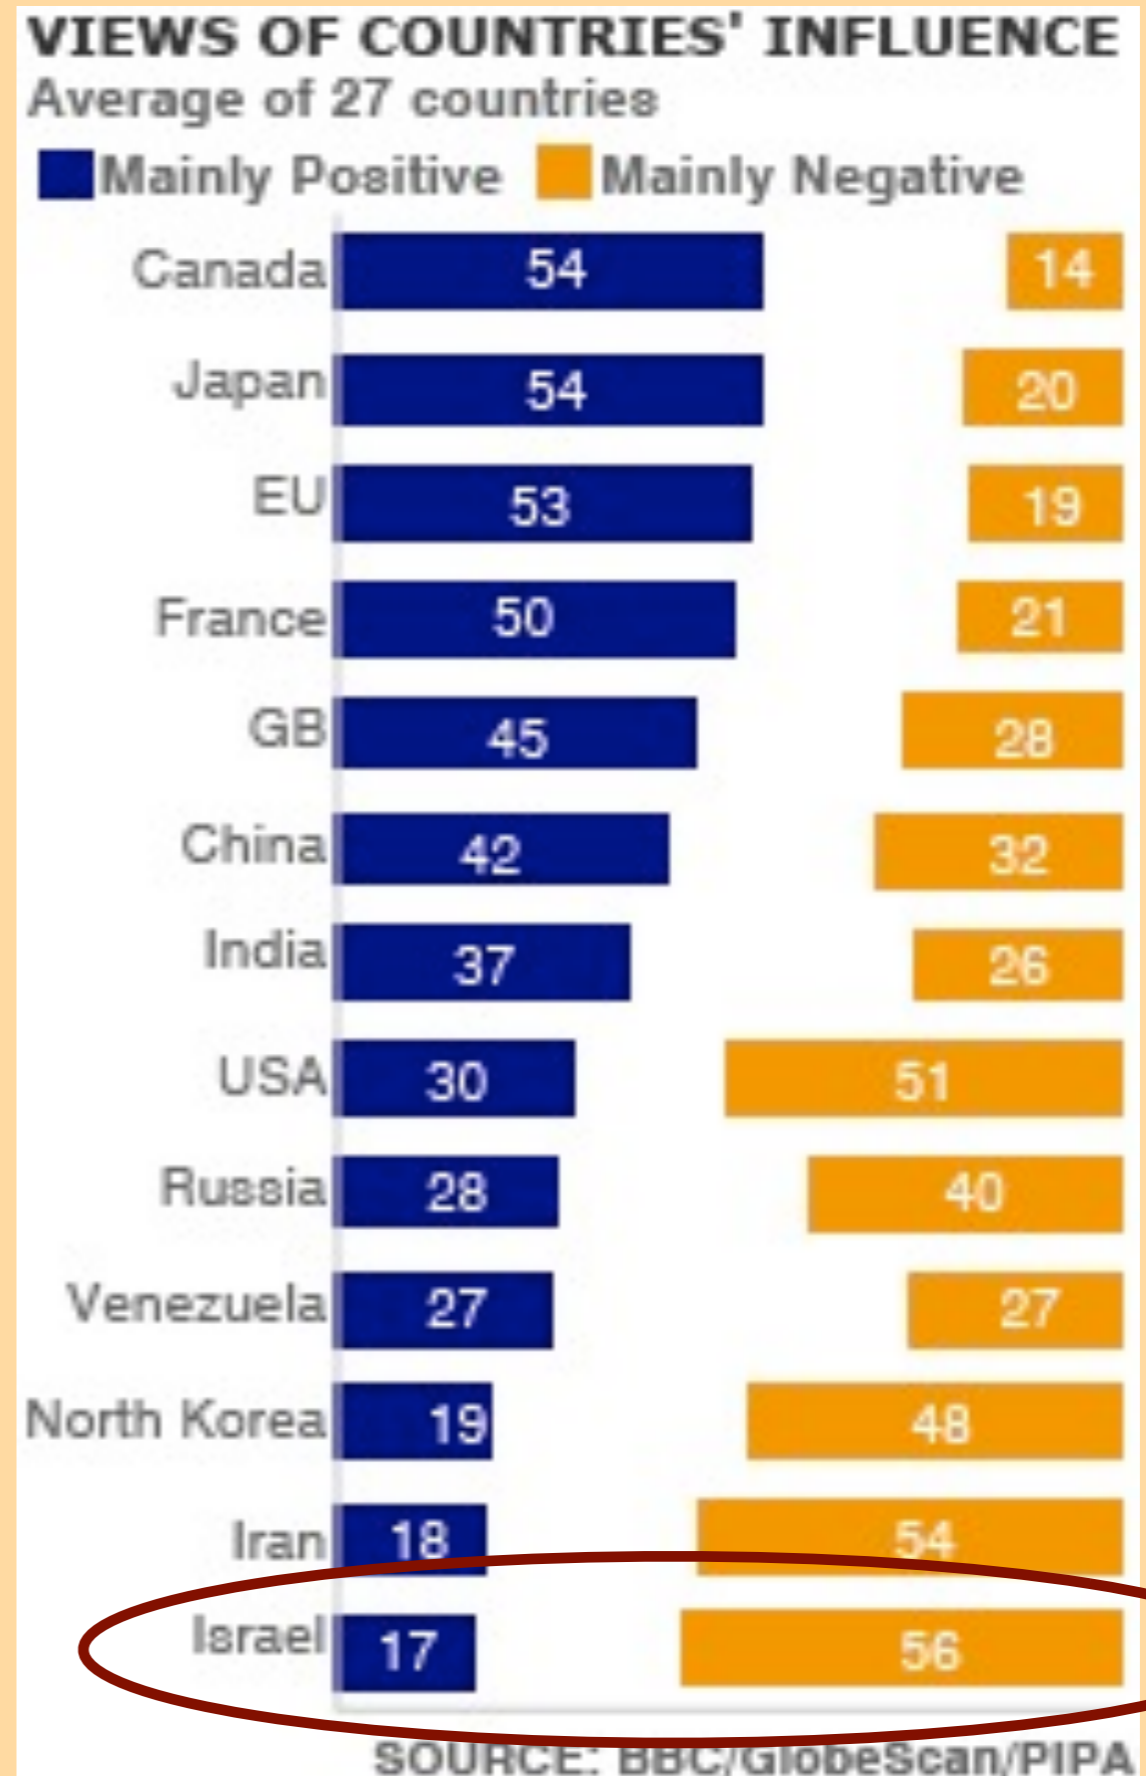

Close to 40% agreed with the statement that:

“The Israeli government is perpetrating a full-fledged genocide and is acting with the Palestinians the way the Nazis did with the Jews.”

The real Genocide

- **Thousands of publications include the words “genocide” and/or “ethnic cleansing” while describing Israel. Much fewer publications deal with the internal, continuing and much bigger genocide, which is taking place in the Arab and/or the Muslim world.**
- **While intellectuals, journalists, academics, put all the blame on Israel, Muslims and Arabs kill mainly, and almost only, their fellow Muslims and Arabs. The numbers are astonishing.**

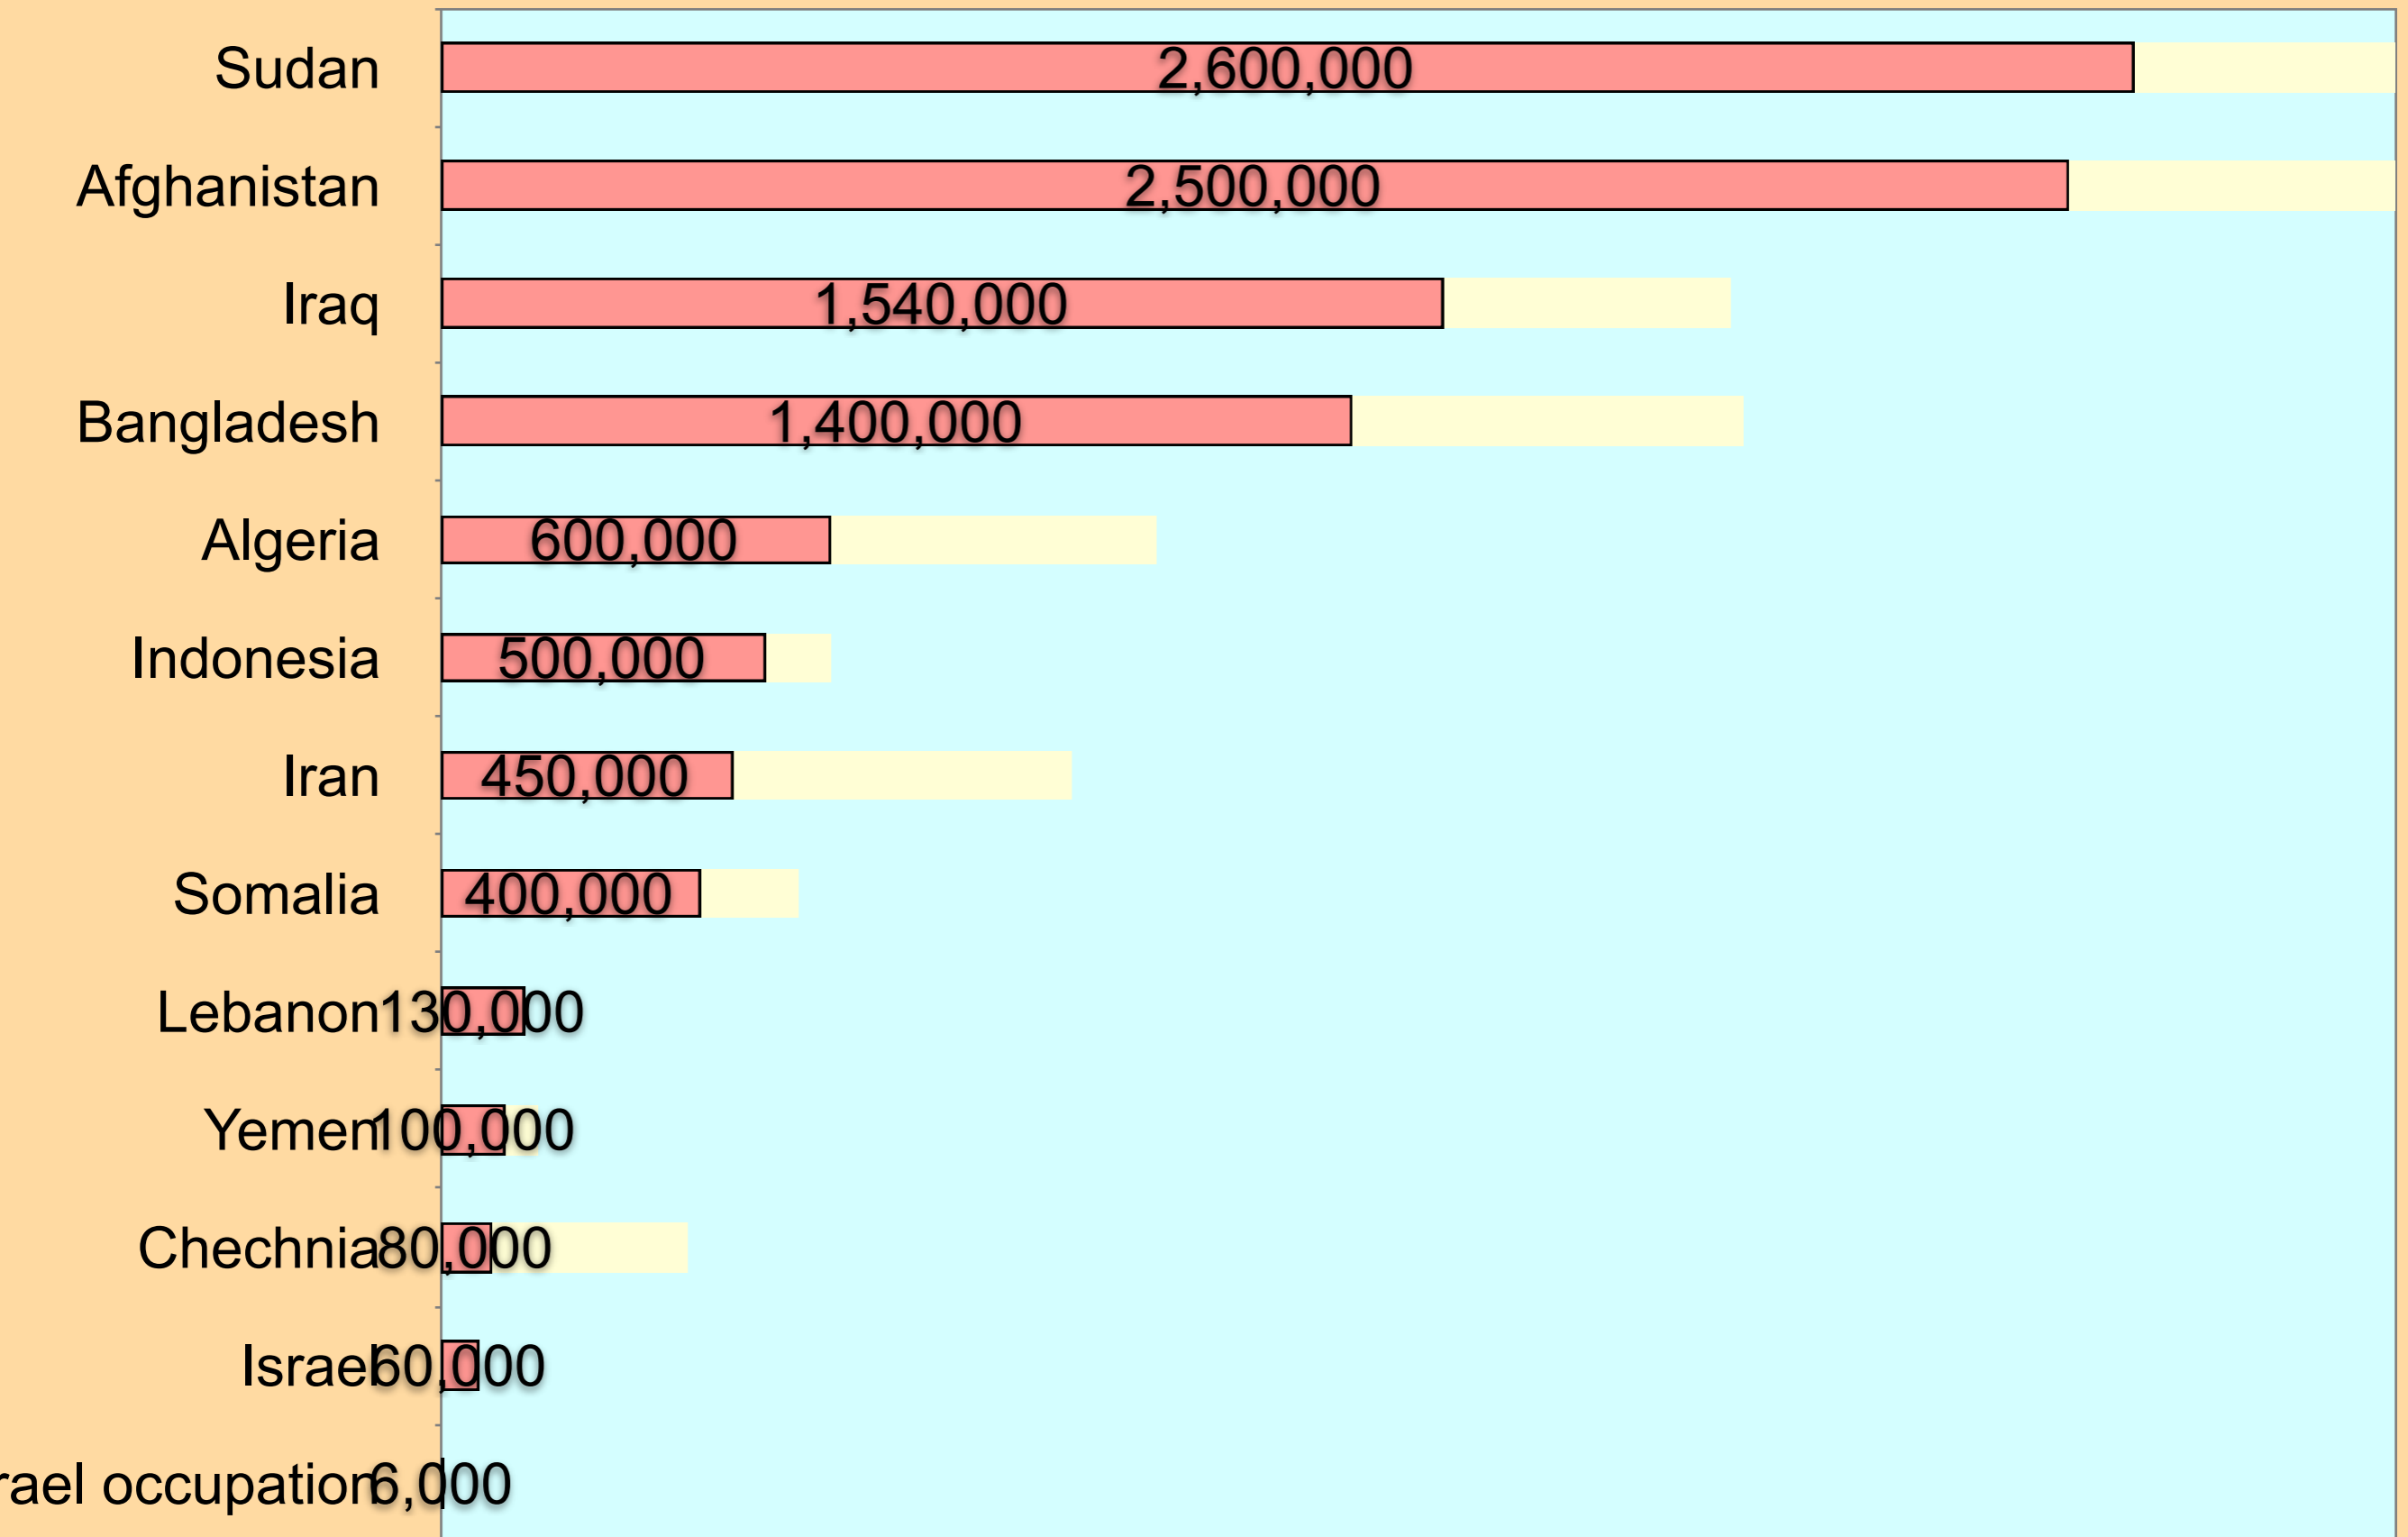

The Real Genocide

In order to defy the argument, or the quite common assertion, that Israel is the main cause of violence in the Middle East, we will present here the death toll, among Arabs and Muslims, only since the foundation of Israel.

MUSLIM & ARAB WORLD FATALITIES

| | |
|--|----------------------------|
| Algeria (1954–1962) | 400,000–1,000,000 |

| Bangladesh (1971) | 1,400,000–3,000,000 |
| Chechnya Wars (1995, 1999) | 80,000–130,000 |
| Sudan Genocide (Nuba 1983–2003) | 1,900,000 |
| Algeria Civil War | 100,000–200,000 |

| Total | 12,000,000 |

Death Toll (Muslims & Arabs)

Proportion

The no. of Palestinians who were killed during more than 40 years of occupation is:

- Less than the no. of Palestinians killed by King Hussein of Jordan in the “Black September”, 1970 – 10,000–25,000.**
- Less than 25,000, the death toll in the 1982 Hama massacre in Syria carried out against Muslims by Hafez al-Assad.**
- Less than the no. of Bosnian Muslims killed in a single massacre perpetrated by Serbs in 1991 at Srebrenica, in which over 8,000 murders were committed.**

Palestine refugees are persons whose normal place of residence was Palestine between June 1946 and May 1948, who lost both their homes and means of livelihood as a result of the 1948 Arab-Israeli conflict.

Population Transfers in Europe 1944–1951: 20,000,000 Prof. Joseph Schechtman

Postwar Population Transfers in Europe: A Survey

By Joseph B. Schechtman

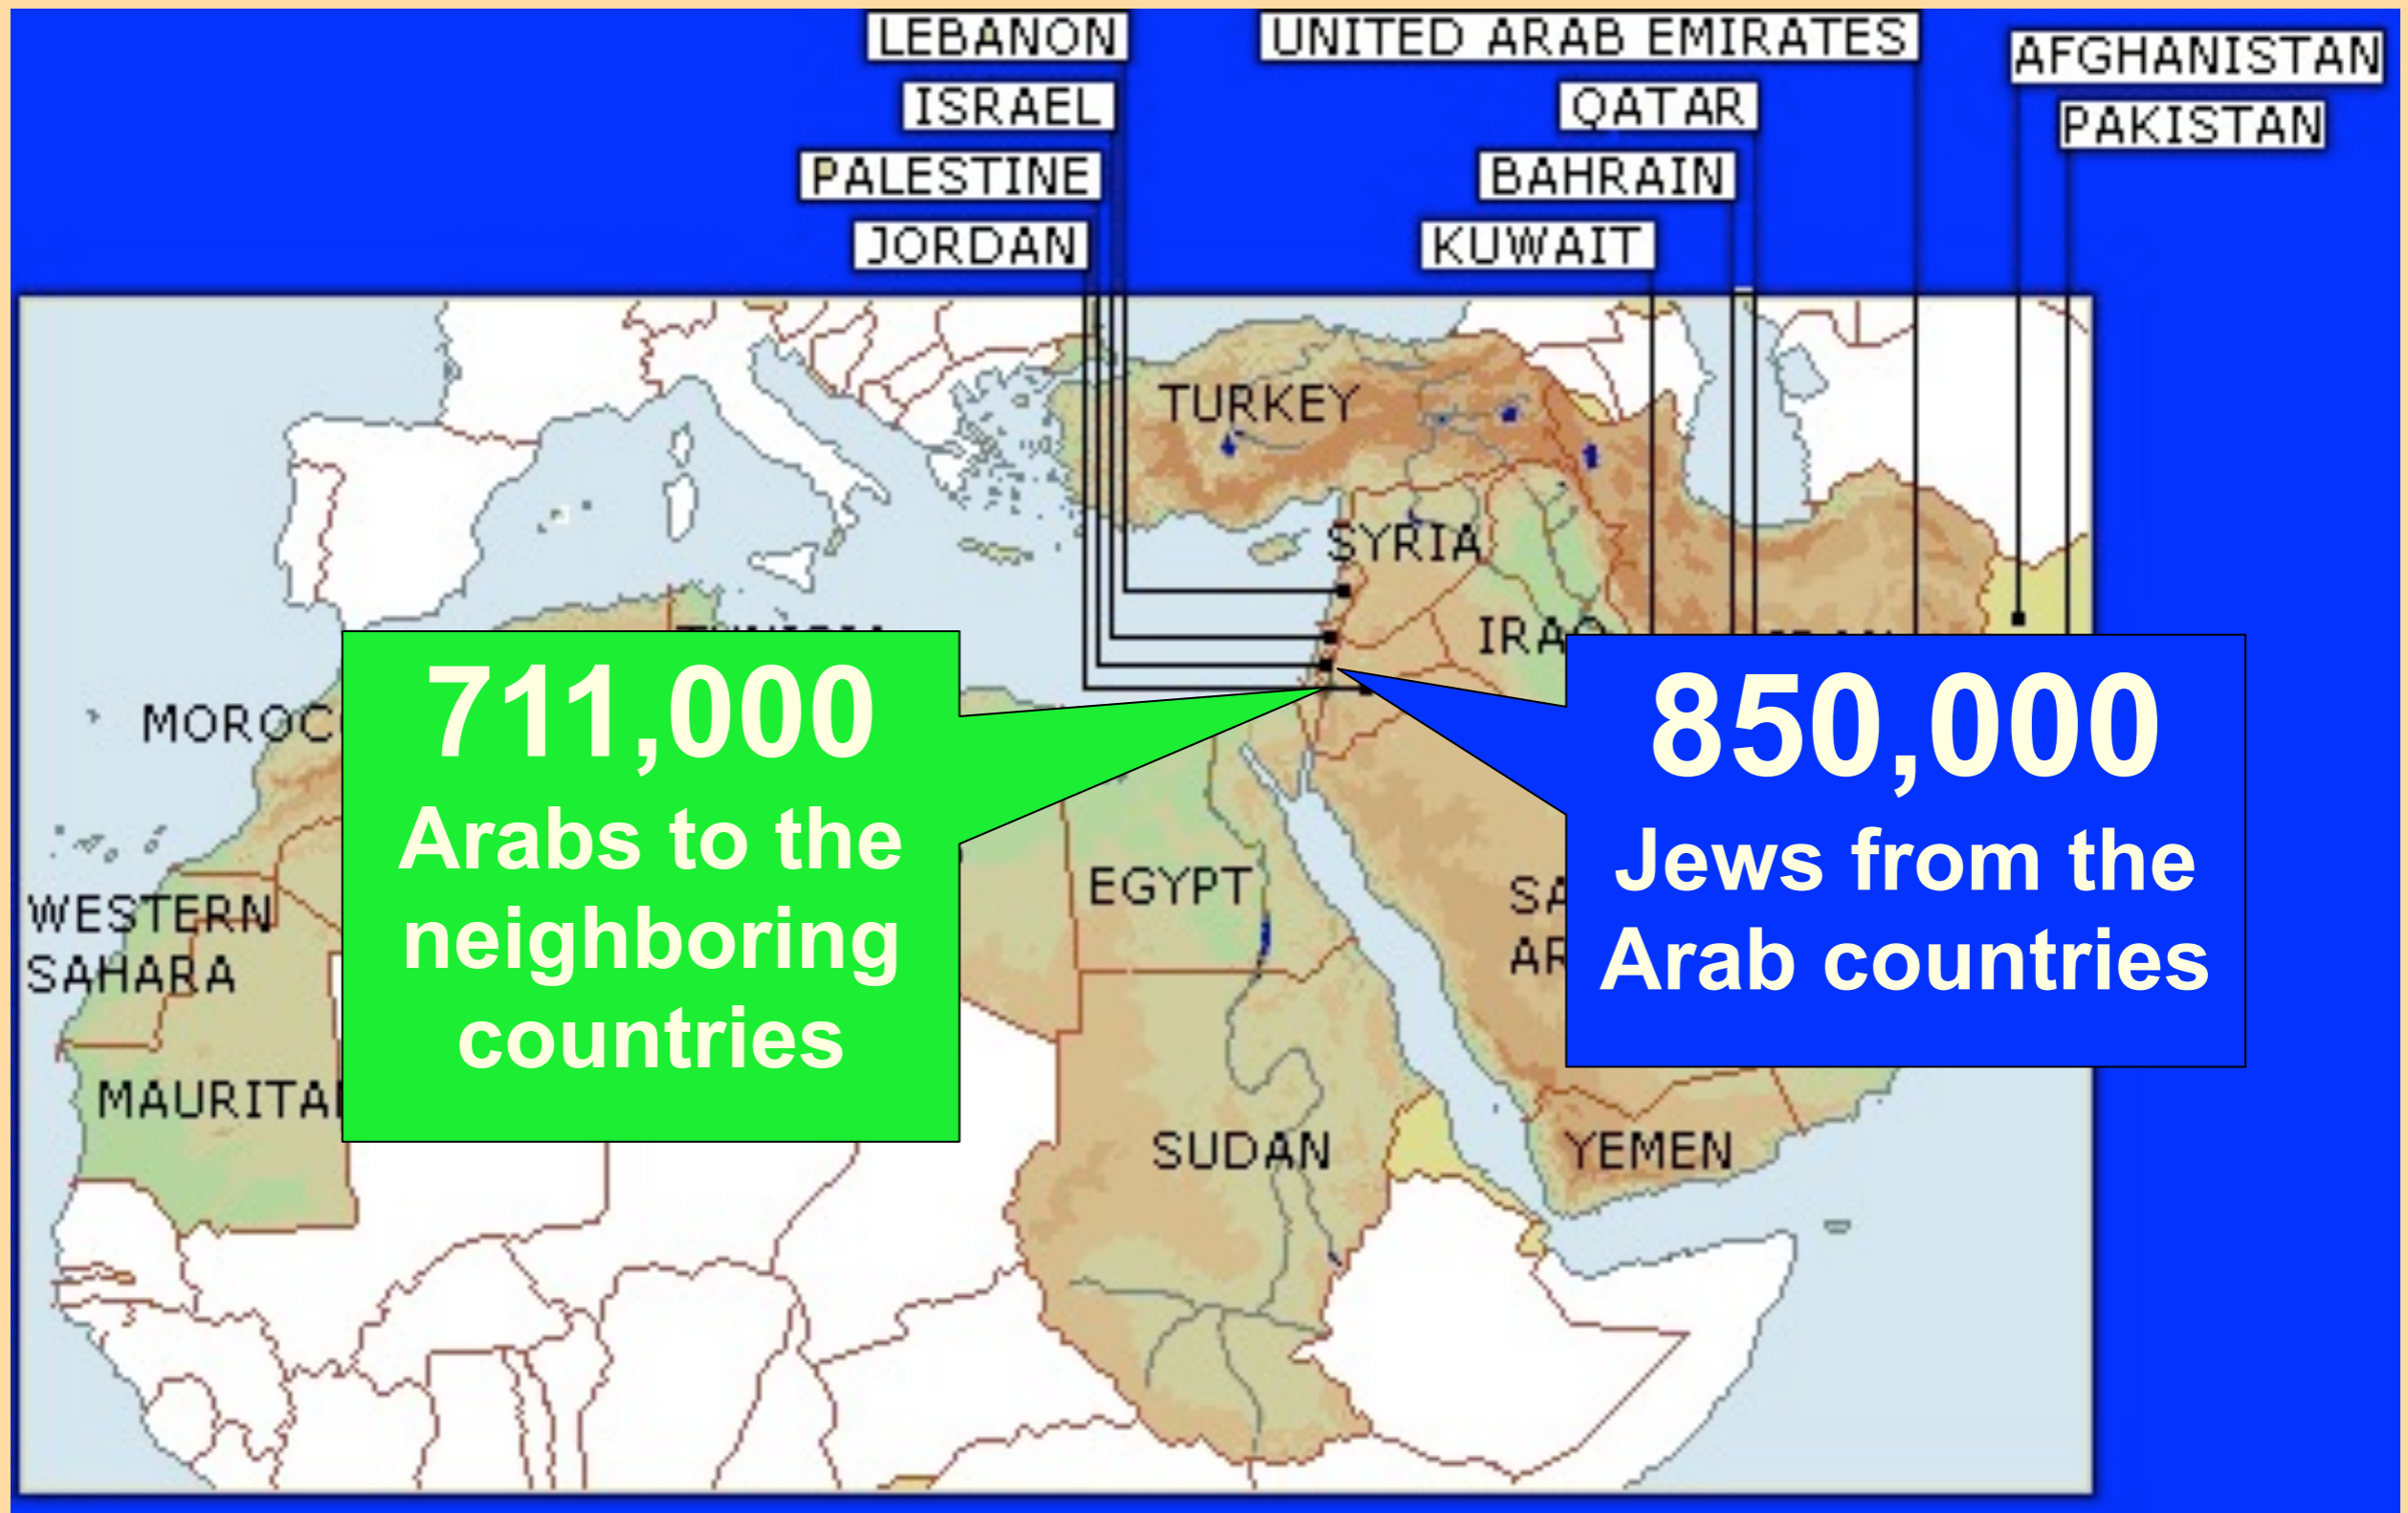

For the purpose of this survey, a population transfer is defined as the organized removal of an ethnic group from its country of residence and its subsequent resettlement in territory under the sovereignty of its ethnic homeland in which the whole is a state-conducted operation based sometimes on international agreement between two states concerned and at other times arising from unilateral action by the state of departure, with or without international sanction.

1. *Background*

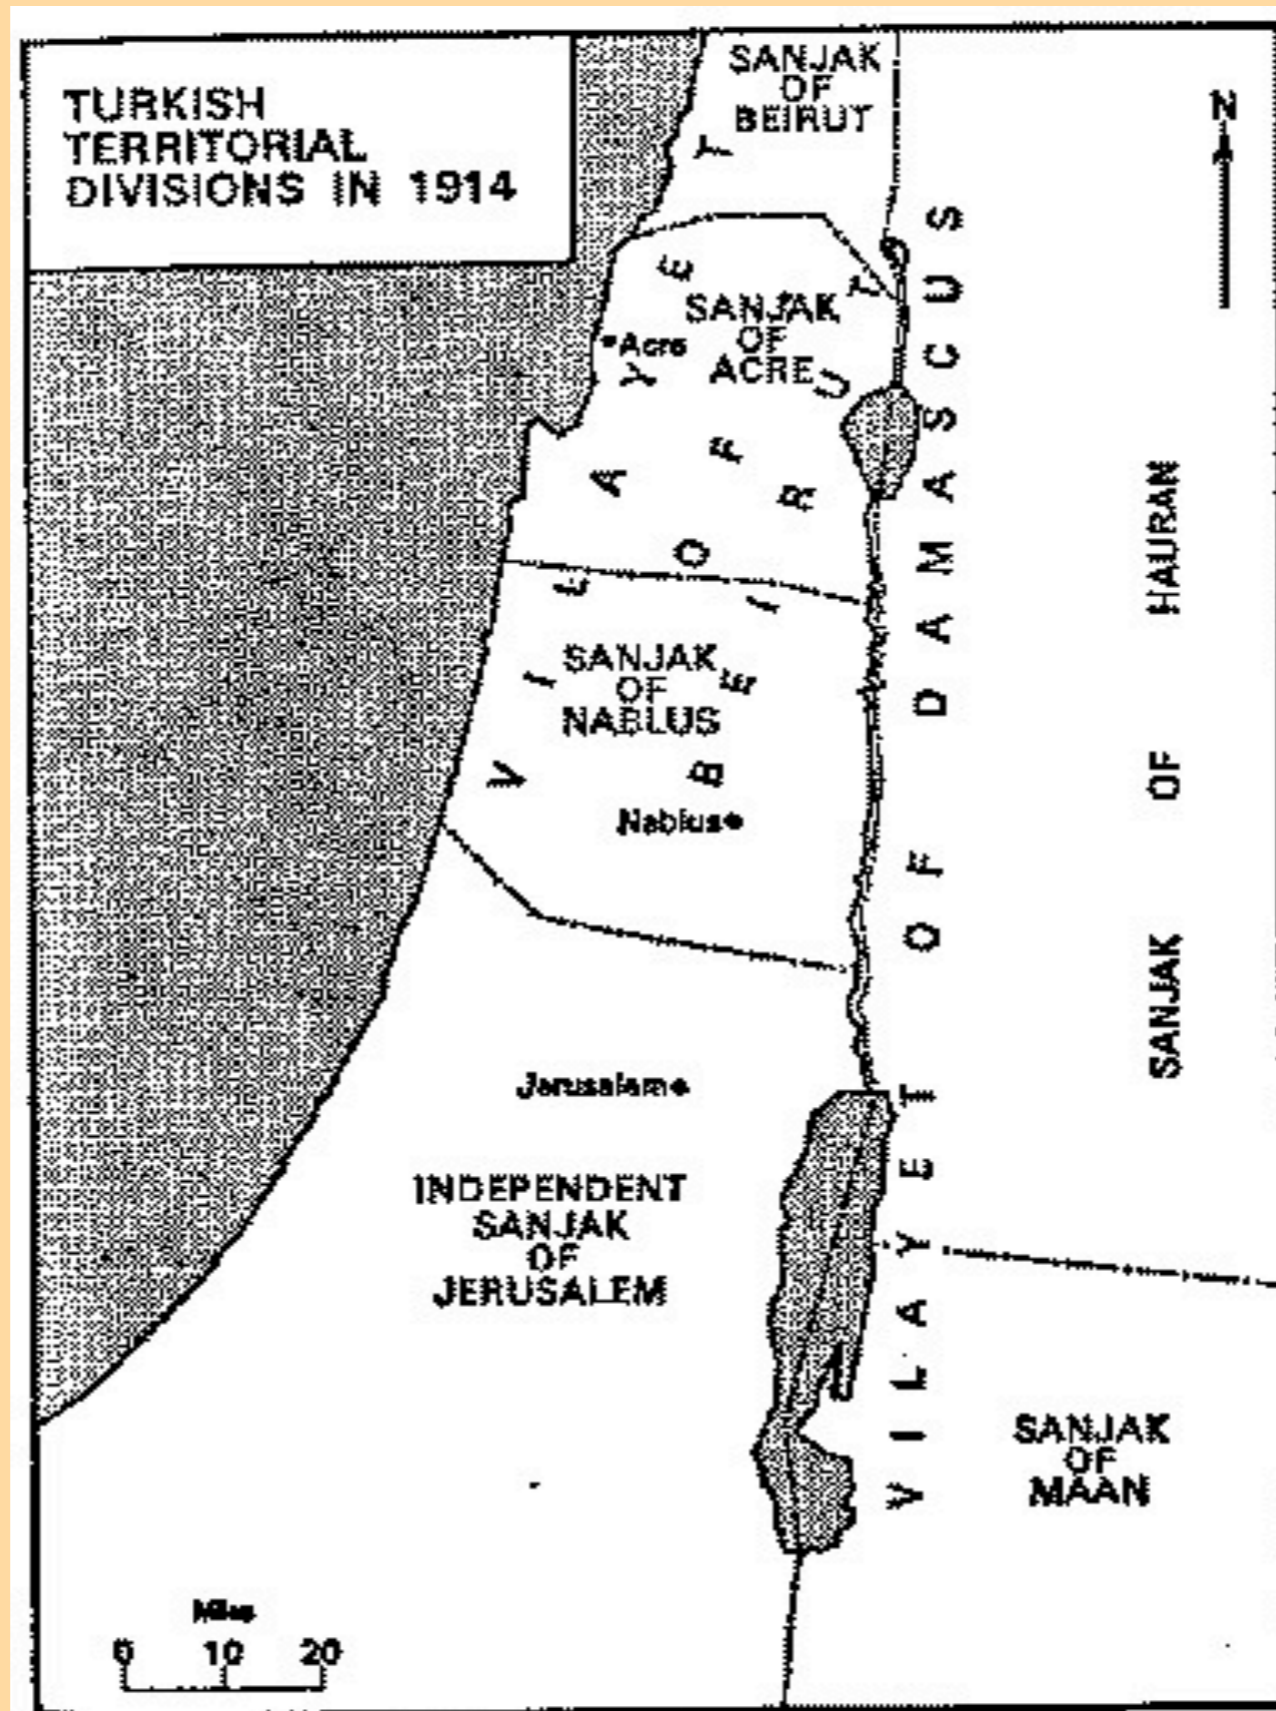

A tremendous redistribution of populations has produced revolutionary changes in the ethnic map of Europe. The aggregate number of persons in Europe who fled their homes, were expelled, transferred or exchanged during the process of sorting out ethnic groups between 1944 and 1951—the period which forms the subject of this survey—amounts to nearly twenty million. A breakdown of this figure shows the following populations affected by this cataclysmic upheaval:

| | |
|---|------------|
| Various German groups | 12,500,000 |
| Poles resettled in their Recovered Territories (repatriates from the west and the USSR as well as resettlers from Central Poland) | 4,480,000 |
| Ukrainians, White Russians, Lithuanians transferred to USSR from Poland | 520,000 |
| Czechs and Slovaks resettled in Border Region | 1,800,000 |
| Hungarians and Slovaks expelled or exchanged under the agreement of February 27, 1946 | 120,000 |
| Turks transferred from Bulgaria to Turkey | 160,000 |
