"I am Mesha, son of Chemosh[-yatti], the king of Moab, the Dibonite. My father (had) reigned over Moab for thirty years, and I reigned after my father. And I made this high-place for Chemosh in Qarcho . . .

because he has delivered me from all kings, and because he has made me triumph over all my enemies.

As for Omri the king of Israel, and he humbled Moab for many years (days), for Chemosh was angry with his land.

And his son reigned in his place; and he also said, 'I will oppress Moab!' In my days he said so.

But I triumphed over him and over his house, and Israel has perished; it has perished forever!"
